

## Rangiora Parish & Community Markets

Our Parish & Community Market runs 1<sup>st</sup> Sat each month. We would appreciate more help from the wider parish with time, baking and donation of goods.

The cake stall is a real success. The net proceeds from the markets go 50% for mission and 50% to the whole parish to cover various events and needs.

Many hands make light work and the more helpers the fewer times you need to be rostered on. If you can help by donating goods, to set up, or for an hour on a Saturday every couple of months, please see Elaine Wiley and or Carol Price, or alternatively contact the Parish Office (313 6148).

Thank you to all our faithful helpers, past and present who have given us fantastic support.

Yours

The Market Convenors
